Ken Doucette,

On behalf of the Airport Authority Committee, the SCPOA, and the residents of our community, thank you for your two years of service as Airport Manager. Your commitment to the safe and efficient operation of the airport will long be remembered and appreciated.

Your cheerful and helpful attitude towards fellow residents has not gone un-noticed. And it is apparent to all that you always held the interests of your neighbors and the community in high regard.

Thank you Ken for your time and work!

With our best regards,
